By planning ahead, you can assure that your beneficiaries will have the money necessary to:

- *Maintain the standard of living you want for them.*
- *Protect your home and other assets.*
- *Pay for education, child care and household expenses.*
- *Cover funeral and probate costs, taxes, debts and other obligations.*
- *Invest for income and opportunities in coming years.*

Professionals like you take your responsibilities seriously. You want the best for your family. That's why so many successful professionals choose the ReliaStar Life Insurance Company Association Group Term Life Insurance plan.

### Features of the Plan

This Supplemental Group Term Life plan provides members with term life insurance protection at levels beyond what is provided to you through the Basic Group Term Life plan. This Basic plan provides a \$50,000 benefit to all members under age 70 (this Basic benefit reduces to \$20,000 at your age 70, and terminates at age 80). To supplement this Basic benefit, you are eligible to apply for additional group term life insurance through the same endorsed program. Administrative costs for group coverage are low, so you can save in premium costs and enjoy the benefits of the plan.

This group coverage is available to you as a Member of the Independent Pool and Spa Service Association, Inc. Your spouse is eligible to apply even if you are not participating in this Supplemental life plan. You and your spouse under age 60 are eligible to apply for one of the following benefit amounts:

◆ \$25,000

◆ \$ 50,000

◆ \$100,000

#### **Child Coverage**

Members participating in the Supplemental plan can apply for \$5,000 children's coverage. One premium covers all eligible children, age 6 months to 19 years, or to age 23 if a full-time student. For children from age 14 days to 6 months, coverage level is \$1,000.

#### **Individual Life Policy Conversion Option**

If you or your spouse later becomes ineligible for this group coverage, conversion to an individual life policy is allowed, without proof of good health. Converted coverage does not include the accelerated life benefit.

#### **Continuous Coverage**

Coverage may be continued as long as you pay premiums when due. Coverage is subject to renewal by the policyholder and timely premium payment.

Supplemental life benefits will reduce to 50% on the premium due date following your age 65, and will terminate on the premium due date following your age 70.

## A Pay-Out Option During Your Lifetime

If you are terminally ill and have a life expectancy of 12 months or less, you can receive a portion of your death benefit before dying. You can receive a payment of up to 60 percent of your coverage. All remaining insurance benefits will be paid to your beneficiary when you die.
